February 10, 2018

Dear Patron,

The Altadena Guild of Huntington Memorial Hospital is pleased to announce its 67th Annual Home Tour: "Put Pep in Your Step on Pepper". Our hope is that you will help support this year's Home Tour, the proceeds of which will directly support Huntington Medical Research Institutes (HMRI), the Constance G. Zahorik Appearance Center at Huntington Hospital, and Huntington Hospital's Altadena Guild Community Service Scholarship.

In 2017, with the generous support of donations including those from our Altadena Guild members, we were able to fulfill our ongoing mission to raise funds in support of Huntington Memorial Hospital, and proudly donate \$65,000 to HMRI and \$6,000 to the Constance G. Zahorik Appearance Center.

Since our inception, in 1951, the Altadena Guild has donated over \$2,000,000 to HMRI and various other organizations aligned with Huntington Memorial Hospital. These donations have aided in advances in the diagnosis and treatment of breast, colon, and prostate cancers; stroke, heart disease, epilepsy, deafness, liver diseases, migraine headaches, and sleep apnea; and brain diseases including Parkinsons and Alzheimers. It is the Guild's goal to not only continue, but to increase our support in the years to come. We believe that we can achieve this goal with the help and support of members like you.

A Patron Donation Form and self-addressed envelope is enclosed for your convenience. In order to ensure your donation is included as part of the Home Tour Program, we ask that you complete and mail your form and payment by Wednesday, March 14, 2018.

Sincerely yours,

Liz Campagna, Lisa Urbina, Jeane Ward, and Debbie Williams
