

The Altadena Guild of Huntington Memorial Hospital has been donating to the Huntington Hospital and Huntington Medical Research institutes (HMRI) since our first Home Tour in 1952. Our mission is to support the live-saving work of these outstanding institutions.

Because of the COVID-19 virus, our famous Home Tours had to be cancelled. For 68 years, residents of the area annually enjoyed touring beautiful and unique homes, delighting in beautiful music, lunching at our café, and enjoying the opportunity to financially support our mission.

But in 2021, the Guild is sponsoring a mail philanthropic appeal. Instead of buying a ticket to the Home Tour, please select the DONATE icon (above right side) and make a financial contribution.

But we sure do hope to see you at a real home tour in 2022!
