

## Holiday Family Fund Raiser

Hard to believe, but it's time to get a head start on the 2022 Holiday season. Throughout the years, the Altadena Guild has generously supported less fortunate families affiliated with Social Services at The Huntington Hospital.

Today, our families are feeling unprecedented economic constraints and need, more than ever, our help in keeping "merry" in Christmas.

Your generosity is sincerely appreciated by all. We hope to have all donations before Thanksgiving so that Ms. Claus' happy crew can get shopping.
